

## **WSWYSA Pitching Clinic**

**Open to ALL community clubs and ALL age categories (U10 to U18).**

**January 27, 2018, through April 21, 2017 @ Bairdmore Elementary School**

**Session 1: 10:00-11:00 am | Session 2: 11:00-12:00pm**

**The clinic is run by the community clubs within the Winnipeg Southwest League, and will be taught by a MSA certified pitching clinician. They will provide instruction on windmill pitching techniques. Whether or not your daughter is 100% confident that she wants to pitch, this clinic is a great opportunity to have your daughter playing ball and learning the skill of pitching. Pitchers should arrive prepared to learn and have a glove, indoor runners, loose fitting clothing and water. Parents will act as catchers or are to provide a catcher for the pitcher. We will provide indoor balls.**

Your child can switch sessions when other commitments conflict. WSWYSA reserves the right to move children to balance class sizes where appropriate.
