3.04 League – Players

Minor

- 3.04.01 All players will be permitted to play an unlimited number of games in the centres nearest their place of dwelling which are entered in the divisions for which they are qualified by age to play.
- 3.04.02 Minor players 9U-15U may participate one category up (e.g. 11U players may play during the course of the season in the 13U category). The player must register in their own age category roster.
- 3.04.03 Overage (affiliated) and underage players will be allowed based on league policies. Overage players can be a maximum of one year older. Underage players may be a maximum of one year younger. Both of these are based on the calendar year. Overage players are not eligible for regional or provincial competition. These players are eligible to play for only one higher age category team in their affiliated league.
